

NOTIFICATION OF CONFIRMED COVID-19 CASE ON CAMPUS

1/15/2021

Dear Parent/Guardian,

In keeping with Bob Hope School District practices to respond to COVID-19, we are notifying all student families that an employee, confirmed to have COVID-19, was present on the campus of Bob Hope School in Beaumont, Texas on January 13, 2021. Due to privacy requirements, we will not be releasing the name of the individual or details that may identify him or her.

The local health department has begun a case investigation. All students and staff that came into close contact with the infected individual will be directly notified no later than January 15, 2021. Those that were in close contact will remain off campus for no less than seven days and can return with a negative test result from Day 6 at minimum, provided no symptoms develop. This quarantine period is to ensure the individual does not have the virus, so that there will not be any further spread.

Sincerely,

A handwritten signature in black ink, appearing to read "Bobby Lopez", with a long horizontal line extending to the right.

Bobby Lopez, Ed.D., Chief Executive Officer
